Remembering our beloved mentor Fr. John Ford, who was among the founders of the Newman Association, we welcome both old friends and newcomers to a conference celebrating St John Henry Newman, whose life and work Fr. John studied for more than half a century. He mentored many young scholars and lived his pastoral commitment deeply, especially with the Spanish-speaking community in the Washington, DC area.

John's talent for friendship, like Newman's own, calls us to meet in person for intellectual and spiritual fellowship. We thank the Catholic University of America, and especially Vice Provost David P. Long, for generous support.

We also thank James Griffin, whose enthusiasm for liturgical music has allowed us to enjoy the fellowship of converted Anglicans in the Personal Ordinariate of St. Peter. Come and celebrate with us!
